

Women's Beachfront Mindfulness Retreat

As women, we love fiercely and take care of others.

We do this so much so that we can put the happiness of other ahead of our own. When we have downtime, we tend to fill it.

It's funny how we distract ourselves from silence, stillness and being alone with our thoughts and feelings (even the laundry takes precedence).

Yet, people around us respond to our vibe, our mood and our demeanor.

When we take care of ourselves, it radiates from us and when we don't that radiates too.

Experience tranquil time at the beach.

A time to re-set, refresh, and settle

Use the power of the mind to: Reduce Stress, Mitigate Pain, Calm/Balance Emotional Response, Radiate Kindness and Live in Brilliance.

Make discoveries that will impact your life from this retreat forward.

Includes Meals/Accommodations/Indoor & Outdoor Sessions/MBSR/Meditation/Yoga/Movement/Relaxation

Beachfront Location

What is it about the beach, the rhythm of the ocean waves, the gentleness of sparkling bay waters, the sun, and the aromas?

What is it that appeals to our senses and sense of well being that calms us and helps us to re-set?

We will be off the grid. Beyond roles, titles and responsibilities, it's a sliver of time at the beach for you to focus on the essentials of mind, body and the powerful connection between them.

Why do sports icons, medical schools and billionaires embrace mindfulness?

Because they've learned it helps train the mind and body to react better to challenging situations, focus more clearly, and improves health and wellness.

Many agree....life depends on it.

For Retreat, it is helpful to bring:

Water bottle, yoga mat, cushion for sitting (chairs are available), comfy clothes in layers, blanket, gloves and shoes that can get sandy
